Plans F and J also have an option called a high deductible Plan F and a high deductible Plan J.* These high deductible plans pay the same benefits as Plans F and J after one has paid a calendar-year $2,000 deductible. Benefits from high deductible Plans F and J will not begin until out-of-pocket expenses are $2,000. Out-of-pocket expenses for this deductible are expenses that would ordinarily be paid by the policy. These expenses include the Medicare deductibles for Part A and Part B, but do not include the plans' separate foreign travel emergency deductible.

**Plans K and L provide for different cost-sharing for items and services from Plans A-J. Once you reach the annual limit, the plan pays 100% of the Medicare copayments, coinsurance and deductibles for the rest of the calendar year. The out-of-pocket annual limit does NOT include charges from your provider that exceed Medicare-approved amounts, called "excess charges." You will be responsible for paying excess charges.

***The out-of-pocket annual limit will increase each year for inflation.

PREMIUM INFORMATION

Blue Cross and Blue Shield of Illinois can only raise your premium if we raise the premium for all policies like yours in the state.
